6. Pets are now allowed on the furniture. If pet hair is found on the bed or furniture and requires extra cleaning, a \$100 fee will be assessed.
7. If your pet has an accident, please inform us immediately. We have specialized cleaners that could prevent additional damage costs if used right away before anything sets. We will not clean up animal excrement.
8. Pet fee is \$10 per night per pet and is charged at check-in. This is non-refundable.
9. Owners are required to pay for any damages occurred in the rooms or public areas; such as torn upholstery, drapery, carpeting, etc. in full including any labor or freight charges.
10. Any disturbances such as barking must be curtailed to ensure other guests are not inconvenienced. Failure to control excessive barking may result in removal of the pet from the property, even if you are not present. Every attempt will be made to contact you in advance; however, the hotel reserves the right to allow Animal Control to remove the pet. Pet fees will still be enforced.
